Preferred Savings Network is a leading provider of membership-based discount and fulfillment services. Working with our marketing partners we offer the American family the opportunity to save thousands of dollars each year. There are millions of members using the benefits currently provided. Preferred Savings Network is "changing the way America saves". Our value added lifestyle benefits have been carefully selected to provide the most comprehensive benefits and services available in the marketplace today. We have a dedicated management team to make sure you and your family's program is handled with the utmost professionalism. Our in-house call center is dedicated to answering any of your questions and concerns and to maximize your family's savings. Our quality assurance department provides convenient toll-free service. Our state-of-the-art customer service software allows us to document, track and report any and all service related issues. The benefits provided by Preferred Savings Network have a common thread, they are "life services" which most Americans utilize everyday. We also continually search for additional quality benefits and services that would add value to our program. One of the key guarantees of Preferred Savings Network's success is our proprietary pricing system. The Preferred Savings Network pricing system was created after years of research and development of benefits and services related to the consumer, corporate, fund raising and association marketplace. Preferred Savings Network provides our consumer members the negotiated advantage of millions of people like themselves in the marketplace. This allows our members to have access to products and services whose prices are closer to those of the manufacturer. This is a key concept behind Preferred Savings Network.
